

# DR6/DR8

## Automatic Draft Control

- Cuts fuel costs in oil, kerosene, coal and wood-fired stoves/heaters/furnaces
- Reduces creosote build-up for safer, more efficient burning — up to 70%!
- Rugged 24-gauge steel design, easy installation make it the choice of heating pros
- Provides constant draft and reduces high flue temperature

3500 N. Hawthorne St. Chattanooga, TN 37406 (615) 698-3435
